Child Find Notice

Windsor Central Supervisory Union is required by federal law to locate, identify and evaluate all children with disabilities. The process of locating, identifying and evaluating children with disabilities is known as Child Find. Windsor Central Supervisory Union schools conduct Kindergarten screening each spring, but parents may call to make an appointment to discuss their concerns at any time. As the school district of residence, WCSU has the responsibility to identify and provide services to any child with special needs who may require special education and related services in order to access and benefit from public education. If you have, or know of any WCSU resident who has a child with a disability under the age of 21 or a child who attends a private school located in Barnard, Bridgewater, Killington, Pittsfield, Plymouth, Pomfret, Reading or Woodstock, Vermont, we would like to hear from you. Sometimes parents are unaware that special education services are available to their children. Please contact the School Principal (Barnard Academy – 234-9763, Killington Elementary School – 422-3366, Reading Elementary School – 484-7230, The Prosper Valley School – 457-1234, Woodstock Elementary School – 457-2522) or the Student Support Services department at 457-1213.
